Vision highlights

Coverage for your eye health in a convenient plan designed with budget-friendly premiums in mind.

Why vision insurance?

Taking care of your health goes beyond regular medical checkups. Did you know vision exams can help detect early signs of some health concerns like diabetes and heart issues? Having a supplemental plan like VisionWise™ can provide additional coverage to help protect your overall health and budget.

Eye exams and eyewear, no waiting period

Vision health and routine eye exams are not only important for seeing better, but also have been shown to help with early detection of certain medical conditions — helping you keep an eye on your overall health. Our VisionWise plans offer coverage for your annual vision exams with no waiting period, plus coverage for glasses and contacts. The vision network includes private practice and leading retail providers.

Helping to enhance your quality of life

Being able to see clearly is important in nearly everything we do. Work, school, activities, even relationships rely on our eyes to be able to take in the world around us. Investing in your eye health, supported by vision insurance, like a VisionWise plan, can help keep you healthy beyond vision correction.

Vision plan benefits

VisionWise has straight-forward benefits with coverage for both glasses and contacts, so you can get the eye care and eye wear that may be right for you.

What is an allowance?

An allowance is an amount payable, only once per policy year, up to the maximum amount, for a given service or material benefit. For example, if you purchase new frames from an **in-network provider** for \$100, based on the benefits above, we would pay \$100 because it is under the allowed amount. If your new frames were from a **non-network provider**, we would only pay \$75 and you would be responsible for paying the remaining \$25.

State-specific differences may apply. (See state variations for details.)

¹ Policy Year means each consecutive 12 month period beginning with the effective date. ² You may go outside the network, but you are eligible for discounts using network providers. Go to myuhcvision.com for a list of providers. ³ Standard lenses include single vision, bifocal-lined, and trifocal-lined/lenticular lenses, including standard scratch-resistant coating for eligible lenses as prescribed by a vision provider. ⁴ Standard frames include eyeglass frames, their fitting, and subsequent adjustments to maintain comfort and efficiency.

Vision benefit network

Vision benefits and how they work

Vision benefits are administered by Spectera, Inc. We will cover vision services subject to the terms, conditions, exclusions and limitations of the policy, and other state variations. (See state variations for details.)

Network Provider Services

These plans use the UnitedHealthcare Vision Network.* You will get the most value from your coverage when you see a provider in this large national network of eye doctors, optometrists and ophthalmologists, including both local doctors and well-known retail providers. Choose from network providers by visiting myuhcvision.com. Contact the provider, identify yourself as having UnitedHealthcare Vision, and provide your name and date of birth to get started.

No ID card is needed, and there are no claim forms to fill out when obtaining services from a network provider.

Non-network provider services

You will need to pay in full at the time of service. You may then submit the details to us for reimbursement of covered benefits. See Vision Rider in the policy for details.

* Not all providers participate in all plans. Check with your provider before using your benefits.

(insurance plans)

This is only a general outline of the exclusions. It is not an insurance contract, nor part of the insurance policy. You will find complete coverage details in the policy. Plan provisions

This is only a general outline of the provisions. It is not an insurance contract, nor part of the insurance policy. You will find complete coverage details in the policy. Some state exceptions may apply (see state variations). The purchase of this plan is not contingent upon purchasing or having any individual or group health insurance coverage.

Policy year

Policy Year means each consecutive 12 month period beginning with the effective date.

Eligibility

Plans can be issued to a primary insured ages 18 - 99 and spouse/domestic partner (as defined by state) ages 16 - 99. Eligible dependent children include your natural and adopted children and step-children under 26 years of age (or as defined by state.)

Age misstatement

If the age of any insured person has been misstated, our records will be changed to show the correct age. Premium adjustments will be made so that we receive the premiums due at the correct age payable on the premium due date following our notification of an age correction. If the insured person's age has been misstated and we would not have issued coverage for the insured person, we will refund the premium paid minus any benefit amounts paid by us, and coverage will be void from the effective date.

Change of residence

If you change your residence, we request you notify us.

Non-network vs. network

You may pay more using non-network providers. Non-network providers may bill you for any amount up to the billed charge after the portion covered by the policy has been paid. Network providers have agreed to discounted pricing for covered expenses with no additional billing to you other than a copayment, if applicable.

Premium changes

We reserve the right to change the table of premiums on a class basis, as defined in the policy. We will give you written notice of at least 31 days prior to the effective date of the new rates. Each premium will be based on the rate table in effect on the premium due date.

Renewability and termination of coverage

The policy is renewable until the earliest of the following:

- Nonpayment of premiums when due, subject to the provisions in the policy
- The end of the premium period following a request by you to terminate the policy
- On the date you: perform an act or practice that constitutes fraud; or make an intentional misrepresentation of material fact, relating in any way to the coverage provided under the policy, including claims for benefits under the policy
- On the date we elect to discontinue this plan, type of coverage, or all coverage in your state
- The date of your death, if it is a primary insured only policy. (If there are other members on the policy, Continuation provisions apply.)

Right to examine

It is important to us that you are satisfied with the coverage being provided. This product has a right to examine period, also commonly referred to as "free look." After applying and after your policy is issued, if you are not satisfied the coverage will meet your insurance needs, you may return the policy to us within 10 days (or as required by state.) Refer to policy for details.
