

Get ready to sell!

Our new SimpliNow LegacySM product provides **100% of all instant underwriting decisions at the point of sale!**

Our new simplified issue whole life (SIWL) product helps seniors alleviate financial burdens for their families due to unpaid medical bills, credit card debt or other final expenses. **Before offering SimpliNow Legacy to clients, be sure to:**

- **Register on Connex:** This site is your primary route to the SIWL eApp where new policies are submitted.
- **Verify your Agent Code:** Your AIG TMG (Transactional Markets Group) code can be found in your Welcome Letter. It is needed to submit new policies.
- **Complete your Anti-Money Laundering (AML) Training:** This training is required. Not completing it could delay your new policies.
- **Become familiar with the SIWL eApp & Quoter:** The eApp is the only way to submit new SimpliNow Legacy policies. And check out the new SimpliNow Quoter.

SimpliNow Legacy offers:

- **An electronic application process** which tells you within minutes the level of coverage your client receives. Over 80% of your clients should be eligible.
- **Instant underwriting** at point-of-sale, backed by the financial strength of AIG Life & Retirement.¹
- **Industry-leading Limited Pay Design** which allows clients to stop paying additional premium when they reach their Maximum Payment Age--while their coverage remains in-force until age 100.²
